

## Artworks Submission Form

Use the list below to list the Main and Replacement works you intend to bring to the sale. Please type accurately, as this information will be used to create labels and for security purposes. For this reason, all works to be displayed must be pre-registered. We suggest that you display a variety of styles, sizes and prices; this will give buyers more choice. All works to be displayed initially must fit on a 6' x 7' panel with a 2" border free all around. Please avoid using the title "Untitled". If you need additional space to list your works, you may add extra rows (if using the spreadsheet format) or submit an additional form (if using the PDF format).

All works entering or leaving the building must be cleared through our Volunteers. When you register, you will be given cards for the works that you will hang initially.
