

From Drawing to Painting (2-Day Workshop)

Dominik J. Modlinski

DRAWING:

- Newsprint pad 18" x 24".
- Black Conté sticks or charcoal.
- Red Conte pencil or Prisma type colouring pencil, sepia colour
- Drawing board to clip your newsprint pad on.
- Two metal clips to hold your drawings in place.

PAINTS:

Please bring your favorite group of colours. My suggestion for pigments selection is as follows:

- | | |
|------------------------|-------------------------|
| ○ Titanium white | ○ Viridian Green |
| ○ Naples Yellow | ○ Sap Green |
| ○ Cadmium Yellow Lemon | ○ Cadmium Green |
| ○ Cadmium Yellow Deep | ○ Permanent Green Light |
| ○ Yellow Ochre | ○ Phthalo Green Yellow |
| ○ Cadmium Orange | ○ Phthalo Green Blue |
| ○ Cadmium Red Light | ○ Phthalo Blue |
| ○ Cadmium Red Deep | ○ Ultramarine Blue |
| ○ Quinacridone Red | ○ Cerulean Blue |
| ○ Alizarin Crimson | ○ Phthalo Turquoise |
| ○ Burnt Umber | ○ Dioxazine Violet |
| ○ Burt Sienna | |

*If you don't have all those pigments, please do not worry. But make sure you have at least those **3 specific pigments**.

- | | |
|------------------------|----------------------------|
| ○ Titanium white | ○ Quinacridone Red |
| ○ Cadmium yellow lemon | ○ Phthalo Blue green shade |

If you can, use professional quality paints for colour quality and intensity. Please no black paint.

BRUSHES:

- | | |
|-------------------|-----------------------|
| ○ Bristle filbert | ○ Flat brushes |
| ○ Angle brushes | ○ Round bristle brush |

Make sure you have a large brush of each kind!

MEDIUMS:

For Oil:

- Walnut oil (non-toxic) or
- Galkyd Light medium by Gamblin

For brush cleaning:

- Non-toxic TURPENOID or
- similar non-toxic thinners such as GAMSOL
