The result: one of the most beautiful urban wildernesses in Ontario is thoroughly enjoyed by *en plein air* artists.

The *McMichael En Plein Air Competition*, offered in collaboration with Ontario Plein Air Society, is an opportunity to observe in action and engage in conversation with some of the most skilled Ontario landscape artists. Please note that while to participate in this competition artists are submitted to a rigorous selection process and must register, on this special weekend everyone is welcome to set up their easels on the gallery grounds and partake in this massive paint-out!
