5. **Drawing tools:**
  - **Black Charcoal Pastels or Jumbo Compressed Charcoal Sticks:** at least 2 (for fast gestures)
  - **An assortment of conté sticks:** The mainstays of conté in figure drawing are white, black, sanguine (reddish brown) and light grey. This combination can be found in packs or sold individually. Curry's Art Supplies had a sale for "Conte a Paris" for \$25 rather than \$30 in February. A pack of 12 assorted colours including white and black at Deserres sells for \$26.00. Discount Art Supplies has a colours pack too but its different, no white, no black and an assortment of 12 colours for \$24.95. Or, you can buy just in packages of 2 (same colour) of white, black, Umber (dark brown) Sanguine (reddish brown) - \$5.49 (Deserres) or \$3.99 (Discount Art Supplies).
6. **Optional:** Vinyl Powder Free Exam Gloves by Equate at Shoppers, if you want protection for your hands as we are using conté and charcoal sticks not pencils.
