

SUMMER MEMORIES

STEP 1: COLLECT AND ORGANIZE ALL OF YOUR MATERIALS

Gather the following materials:

- Bristol board or poster paper
- Colouring pencils or markers
- Glue
- Scissors

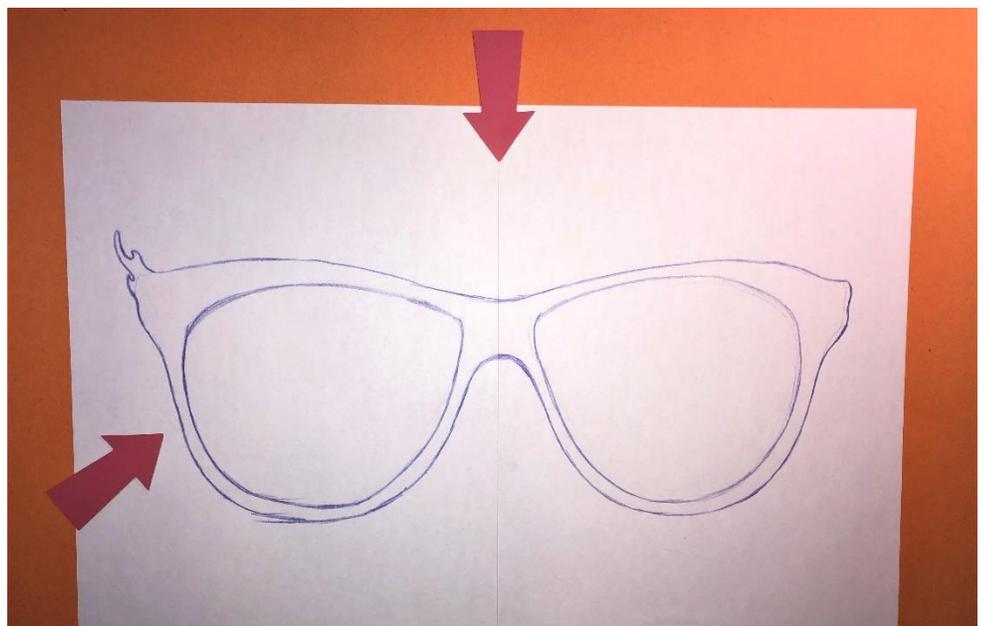

** Feel free to be creative and use anything you find around the house. Be sure to ask your parent or guardian for permission first!*

SAFETY TIP: Be sure to ask your parent/guardian for permission and help when handling scissors.

STEP 2: CREATE A ROUGH DRAFT

Tape two sheets of paper together and draw a stylish pair of sunglasses. Start with drawing the lenses first, followed by your choice of frame.

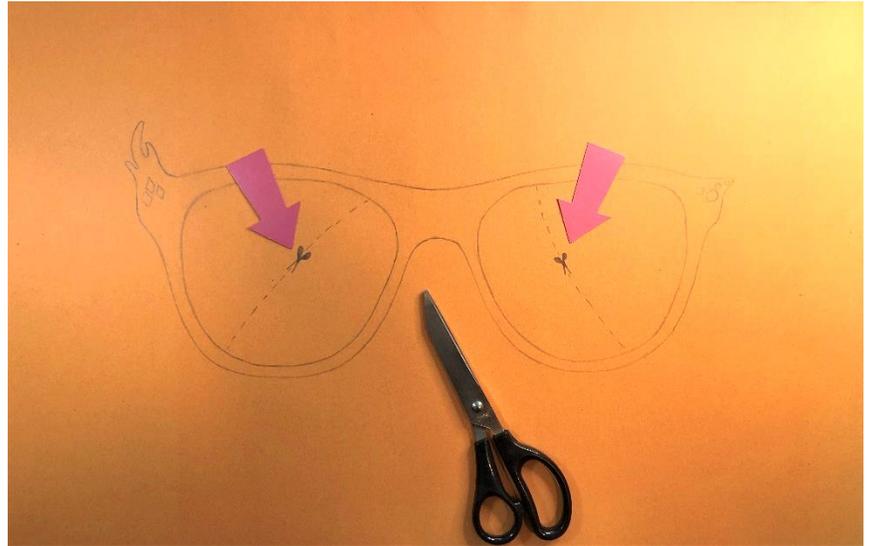

Once you're happy with your design, cut out the frame.

STEP 3: CREATE YOUR STENCIL

Using your rough draft cut out, trace your paper sunglasses onto a sheet of bristol board or poster paper and cut them out. This will become your sunglasses stencil.

TIP: Cut out the lenses first, as this will keep your frames from bending!

STEP 4: DRAW FROM MEMORY

Think back to a favourite summer memory. What were you doing?

Keep the memory in mind as you tape two sheets of paper and trace your sunglasses stencil on it. Use your memory as inspiration to draw and colour the lenses in.

STEP 5: GLUE THE STENCIL TO YOUR PAPER

Glue your sunglasses stencil onto your drawing and trim the excess paper. Let the glue dry before cutting off the excess paper so that you don't accidentally move the image.

STEP 6: ADD DETAILS

You should now have a new pair of sunglasses that display a reflection of your summer memory in the lenses! You can add as many details to your frame as you like. Try attaching a string to display the sunglasses in your room.

Share your artwork with your family and see if they can guess your favourite summer memory. Perhaps they can even try on your new pair of sunglasses!
